Trail News

On Saturday November 5th at 9:00 am. 2 trail leaders need your help to put in as much of the trail as they can. Some area's still have corn in, however many area's can be marked. Show up behind Flannery's Motorsports 2727 Patterson RD. Bring your quad and sludge hammer and a smile. These trail leaders need your help! I cleaned up the junk signs and have made some new ones.

Club News-

We continue to ask current members to talk to their fellow riders; we find that is the best way to improve the membership numbers. Sure hope that past members will send in their application for this season by Jan, 2012.

Groomer-

Saturday October 22 nd, we had 11 members show up for groomer repair day. This group and the attitude they showed to just get it done was impressive. They accomplished 20 items of service and repair with some items as major work.

Thanks to the following members. Eric Bouman, Dave Bouman, Kevin Bouman, Scott Havens, Doug Kammeraad, Kathy Kammeraad, Alex Myers, Chuck Pergler, Kirt Sipple,

and Roger Soemaker. Chad Kraai allowed us to use their building that helped make the repair go faster and easier. Thanks to all that made this happen!

WMSC

We continue to look for folks to attend the council meetings on the second Wednesday of each month. Please let me now if you can attend the November meeting.
